The following is for a perspective on the subject of abortion:

I have a new word for you today: ABHORTION; the definition is as follows:
The way the Lord God feels about abortions...He ABHORS them!

The prophet King David reveals God's thoughts on abortion in the Psalms:
Psalm 139 (AKJV Version) states in part:

“For thou hast possessed my reins (this word means “organs”): thou hast covered me in my mother's womb... My substance was not hid from thee when I was made in secret...Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there were none of them.”

Let it be known that this nation is under a curse for the 60 million babies that have been killed by abortion since Roe v. Wade in 1973. Just look at all the floods and fires, the simple storm becoming an ominous threat, hurricanes of great magnitude, and the list goes on. What have been lacking in America are earthquakes of great magnitude, but that is coming soon if there is no turn around from this blight on humanity and on the earth that sustains it.

In the time of Noah, this was said of the earth:

“The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and behold, it was corrupt; for all flesh had corrupted his way upon the earth. And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.” (Genesis 6:11-13)

This act of abhortion is an act of violence of unparalleled consequence to the earth, upon which man is sustained. The earth is REELING beneath this cursed practice!

2 Kings 24:3-4 states something that most people don't know about God's judgments:
“Surely at the commandment of the Lord came this upon Judah, to remove them out of his sight, for the sins of Manasseh, according to all that he did;
And also for the innocent blood that he shed: for he filled Jerusalem with innocent blood, which the Lord would not pardon.”

God has declared that He will NOT pardon the innocent blood of these precious souls that are slain before His eyes daily for 45 years (and running)!

Roger Funk, II

Let me add this to that last Scripture (2 Kings 24:4) and remarks about it:

The Lord showed me in 2018 that this word “pardon” literally means “to forgive”...

...GOD, IN THE TIME OF THE OLD TESTAMENT, WOULD NOT FORGIVE THE SHEDDING OF INNOCENT BLOOD!!! (I don't know if He has changed His mind on that in the New Covenant age, but I wouldn't bet on it being that He has!!!)

45 years since Roe v. Wade and 60 million babies killed brutally by abortion, we must take a look at what this looks like in real time. That is what this is about. Read on if you have the guts:

I remember when I was a teen in school, and I watched a movie called “The Silent Scream”. It was about the act of abortion. There are two things that are indelibly etched into my soul that were in that film:

- (1) The fetus was being suctioned into a vacuum tube, and when it was injured, the fetus retracted from the tube as though instinctually trying to save its own life;
- (2) When the fetus was being dismembered, the mouth of the fetus opened as if to cry for help or to scream out in pain and horror.

This film told me all I needed to know about abortion – and I have been Pro-Life ever since!

Here’s where it gets real:

Imagine that YOU are the fetus...and the experience is YOURS to endure:

You are in the womb, comfortably being nurtured by the mother’s body, when all at once a vacuum tube comes into the womb with you and begins to suck the limbs off of your body. You react by shrinking away in terror and pain, but the vacuum tube is able to follow you wherever you move to.

All at once, when the blood is pouring out of your limb sockets and being sucked into the tube, the vacuum nozzle begins to suck your lower body off of your torso, and you cry out in desperation, hoping to be saved from the dreadful experience. But there is no sound, because you have no developed vocal cords. Your efforts to beckon help are unnoticed and uncared for by the brutal doctor who holds the tube.

At last, your head is suctioned into the tube, removed from your torso, and then the torso is suctioned up in pieces. You are an aborted statistic, like the other 60 million.

The Hippocratic Oath is an oath that doctors swear to before they embark on a pathway to treat patients that come to them for help. Here is what part of that oath swears to:

“I will use treatment to help the sick according to my ability and judgment, but never with a view to injury and wrong-doing. Neither will I administer a poison to anybody when asked to do so, nor will I suggest such a course. Similarly I will not give to a woman a pessary to cause abortion. But I will keep pure and holy both my life and my art...

Into whatsoever houses I enter, I will enter to help the sick, and I will abstain from all intentional wrong-doing and harm, especially from abusing the bodies of man or woman, bond or free.”

The doctor of abortion is an abomination to Hippocrates, the writer of that oath!
Furthermore, his or her actions are an abomination to God Himself.

The abortionist is an example of one who does the opposite of the good doctors of America and abroad. He or she seeks to TAKE life, NOT GIVE it. He or she terminates humanity, and calls it a blessing, and then s/he seeks to convince the world that what they are doing is something that all men and women should be entitled to!

The abortionist is the reproach of all humankind the likes of which are not paralleled anywhere in any other profession. To call them “doctors” is a malfeasance of the English language!

In ALL American wars, there have been less than 700,000 casualties of war, especially of the Civil War. Yet we count their lives worthy of honor because of the sacrifice they paid, and we write their names on stone walls to pay them tribute for the ones they left behind. Yet almost 100 times that many have died on the battlefield of abortion clinics, and most remain nameless – and there is not one shred of remorse on the part of the abortionists and Pro-Choice advocates as they seek with passion and blood-thirsty frenzy to stand for the “right” to KILL the INNOCENT!

INNOCENT BLOOD!

Just for the record, there were only 42 million service men and women who served during wartime, less than three quarters of all the aborted children that have been the result of 45 years of infamy! Only 1.2 million deaths from all sources were experienced during wartime amongst service men and women during all USA wars. That’s only 50 times as many babies that have perished at the suction tube of the abortionist.

When will America change its collective mind about abortion? How many died today? this week? last year? How many will die this year? **HOW MANY ABORTED BABIES DOES IT TAKE TO CREATE TEARS IN YOUR EYES, WEEPING IN YOUR SOULS?!!**

God help America...**END ABHORTION!!!**

In His service,

Roger Funk, II
